It's time for the 3rd Annual Meth Alliance of Paulding 5k March Against Meth! Saturday, June 13th 2009

Team Name: _____

Dear Potential Team,

Thank you for coming together to support the Meth Alliance of Paulding. Last year's march was a huge success and we are looking at making it bigger and better this year. Coming together as family and friends to take a stand against the methamphetamine problem in our county is very important. We look forward to seeing you there.

Thank you!
